Core principles of Safeguarding:

At IFtL, we believe in the following are essential to underpin safeguarding, child and adult protection.

Safeguarding is Everybody's Business

It could happen here

A Culture of vigilance

Always act in the best interests of the child

Always Remember

Recognise, respond, report and record

Challenge and Escalate

Think the unthinkable – remember, it could happen here

Be curious - don't take things at face value

Always consider the underlying causes of behaviour

Support yourself as well as others
