At IFtL, we are committed to developing a family of schools who inspire all of our futures through learning. Schools within our Trust share the same values and ethos; our teams are constantly in the pursuit of development and excellence everyday. We open doors to opportunity and unlock the potential of both our children and our adults so that we all develop the confidence to achieve both our independent and collective ambitions. At IFtL, we are never alone. We know we are stronger together – one united family striving for excellence for all, in everything we do.

## **Vision**

At IFtL Trust Schools, we are relentlessly driven by our pursuit of excellence and high expectations of learning, behaviour and respect for every member of our community. We value the individuality of all pupils, removing any barriers to ensure inclusion into all appropriate aspects of school life.

## **Aspirations**

We strive to promote and create environments in which children can succeed academically, socially and emotionally by nurturing the whole child. We also aim to promote the individuality of all pupils, celebrating their skills, talents and contributions.

## **Core Values**

We believe that equality of opportunities is a right of all our pupils - it is paramount that we meet the needs of and celebrate the rich and diverse IFtL community. All children can succeed and should have the opportunity to, by setting suitable learning challenges and removing any barriers to learning that can hinder or exclude individuals or groups. Every school within the trust is accountable for ensuring the varied needs of all children are met. We value the individual strengths of our pupils and actively encourage their contributions to school life.

## **Success indicators**

All schools within the trust will implement the following indicators:

- 1) We maximise all opportunities to ensure all children, including those from vulnerable groups achieve the highest possible standard.
- 2) We adhere to the Equality Act of (2010) and all other current legislation related to best practice for children from vulnerable groups.
- 3) Pupils feel valued and believe they can succeed.

These partnerships are part of the school's review and evaluation cycles to ensure the most effective educational opportunities are offered to the pupils.

## **Disapplication or Modification**

Our schools make every reasonable effort to meet the learning needs of all pupils. Our schools can, where necessary, temporarily modify or disapply the National Curriculum and its assessment arrangements through Sections 90, 92 and 93 of the Education Act 2000. Our policy is to do this only in exceptional circumstances and with detailed consultation with all stakeholders.

## **Bullying, discrimination and harassment**

We must be aware and be vigilant to any form of bullying, discrimination or harassment of any nature. However, we need to be particularly aware of the Human Rights Act 1998 and the Equality Act 2010 (including the Public Sector Equality Duty) and any form of behaviour occurring against these rights will not be tolerated under any circumstances. As highlighted within KCSIE September 2022, being subjected to harassment, violence and or abuse, may breach children's rights as stated within the Human Rights Act.

Children who are lesbian, gay or trans (LGBT), identify as LGBT or those who are perceived as being to be LGBT may be particularly vulnerable to be bullying and we need to be extra vigilant for signs of this.

At IFtL, we will not tolerate any form of bullying, discrimination or harassment and will ensure they are swift and fully investigated. We also believe in educating and supporting our school communities to help prevent the occurrence in the first place.

We are aware and must be ultra-vigilant for signs of sexual violence and harassment as we know that it is highly prevalent and children often do not talk out about this and even accept it as the 'norm'. We must ensure this is not the case in any of our schools
