Review

The Board of Trustees will review this document on at least an annual basis, and in line with guidance issued from DfE and NGA, to ensure it remains fit for purpose to our context.

Our Governance Structure (at September 2023)

Roles and Responsibilities

The Trust is a Limited Company by Guarantee and therefore we must comply with Company Law. As an Exempt Charity, we are also required to fulfil Charity Law requirements, these are extended by rules and musts that are determined by the Department for Education (DfE) and the Education and Skills Funding Agency (ESFA). These requirements and rules, along with guidance on Best Practice, guide us to create the structure of the organisation and the roles and responsibilities of those committees and individuals within it.

The main roles and committees are outlined in our Funding Agreements with the Department for Education which inform the following:

Members

Our Members are our custodians whose role is to ensure that the Trust is acting in the best interests of the children and young people at all times.

Our Members are:

- Mrs M Hubbard
- Mr G Swepston
- Mrs M Wogan
- Mr M Taylor
- Mr T Wilson

The original Members signed the Memorandum of Association when the Trust was formed and also agreed the Articles of Association (the legal document which sets out the governance structure and how the Trust will operate). They are responsible for approving any amendments to the Articles of Association.

Our Members oversee and can appoint up to seven Trustees to the Trust Board and also remove them under certain circumstances. They appoint the Trust's auditors and receive the audited annual accounts at an Annual General Meeting.

The legal segregation between Members and Trustees protects the MAT from making significant changes without independent approval. The preferred MAT number of members is five to ensure clear decisions can be made by voting should they be required.

Board of Trustees

Our Trustees are bound by charity and company law which is why they are sometimes also referred to as directors (we refer to them as Trustees). As the Board of Trustees, they manage the business of the Trust and are legally responsible for the Trust's statutory functions as well as the performance of all our academies.

The Board has responsibility for three core governance functions:

1. Ensuring clarity of vision, ethos and strategic direction
2. Holding the executive to account for the educational performance of the academies in our Trust
3. Overseeing the Trust's financial performance and making sure that money is well spent.

In addition to these, the safeguarding of all stakeholders is of paramount importance and therefore we also classify this as a core governance function that runs through all Board of Trustee work. Trust wide and school safeguarding data, analysis, trends and benchmarking is regularly reported and robustly examined as part of every Board of Trustee agenda. This forms part of the work undertaken by the Board of Trustees:

- To monitor pupils' wellbeing so they have a positive attitude to learning, develop resilience and satisfaction with self, relationships and experiences at school.
- To ensure that all schools within the Trust comply with safeguarding regulations and best practice guidance

Our Trustees are:

- Mrs M Hubbard Chair
- Mr K Roberts Vice-Chair & Chair of Audit & Risk Committee
- Mrs S Bennett CEO
- Mr M Dolling
- Mr S Fulton
- Mr M Midgely
- Mrs J Richardson
- Mrs D Rogers
- Mr B Stanley Chair of Educational Excellence Committee
- Mr G Swepston Chair of Finance & Resources Committee

The following members of the CEO's Executive Team will attend Trustees meetings for reporting purposes:

- Mrs V Blackmore – Head of Safeguarding, Health, Children and Families
- Mrs S Boak – Head of Professional and Governance Services
- Mrs S Hand – Head of System Leadership
- Mrs K Kemp – Head of Quality Assurance
- Mrs M Saunders – Head of School Development
- Mr R Tite - CFO

Role of MAT Delegated Committees

The Board of Trustees has three committees to drive the strategic direction of the Trust and hold all staff accountable for the overall performance of the Trust and its operations: Education Excellence, Finance & Resources and Audit & Risk. Their Terms of Reference, and membership, can be found in the Appendices.

Trustees' Education Excellence Committee

The Education Excellence Committee focuses on ensuring the highest educational standards for all of our pupils and progressively driving each of the schools performance. This includes assessment, data, curriculum, research and stakeholder well-being. This committee is innovative and always striving to be leaders in the development within the educational landscape.

Trustees' Finance and Resources Committee

Our Finance and Resources Committee focuses on supporting and challenging each schools' financial performance within the areas of finance, premises and human resources. This committee is forward thinking and plans to ensure it protects the future financial and operational viability of each establishment in a supportive and measured way.

Trustees' Audit and Risk Committee

Our Audit and Risk Committee is established to support the Board, and the Chief Executive as Accounting Officer, in their responsibilities for ensuring the adequacy of risk management, internal control and governance arrangements including, but not limited to, ensuring that public funds are used efficiently.

Role of Local Governing Bodies (LGBs)

Our MAT will always be built on firm foundations of strong Governance both at Trust and at School level. To support this, it is a decision of the Board of Trustees that each school has a Local Governing Body (LGB) that understands the school's needs and its community (an LGB may be responsible for more than one school within the Trust). The LGB performs an essential role in providing focused governance at a local level. In order for each school to have autonomy to enable them to drive key areas specific to each school's needs, certain powers and duties have been delegated to the LGB's. The remaining powers and duties that the Trustees hold are to ensure compliancy to fulfill the requirements detailed by the DfE and ESFA. The Trust also provides reassurance to governors and schools that they are protected by being within our MAT.

Local Governing Bodies are best placed to support the principles of good governance and practice by focusing on:

- The wellbeing and safety of all children and adults within the schools' communities
- The standards of educational performance, for all children, within the school(s)
- The position of the school's within their wider communities and how the schools contribute positively to this
- To identify, and look to mitigate, risk in relation to the above
- To carry out the duties delegated to the LGB by the IFtL Board of Trustees (defined below)

However, in line with DfE and ESFA requirements, the responsibility for any delegated powers must remain at all times with the Board of Trustees. To ensure that any under-performance, at either at school or governance level, the role of the MAT is to protect the underperforming school (and ultimately all Trust schools), and therefore reduce some of the underperforming school's powers and duties if they have been used inappropriately or not fulfilled requirements. In such circumstances, Trustees will reconsider the level of delegated powers and duties of the LGB and may reduce or install an Academy Improvement Board in place of the LGB.

Local Governing Board Constitution

Constitution of the Local Governing Body (LGB):

The LGB:

- Will contain no less than 7 members and no more than 12
- Will contain 2 parent representatives (elected)
- Will contain at least 1 staff representative (elected) ensuring that staff representation on the LGB does not exceed one-third of its total membership

Other members of the LGB will be 'Trust appointed Governors'. The process of appointment for Trust appointed Governors will be approved by the Board of Trustees and will be led by the incumbent Chair of the LGB and the IFtL Head of Governance.

For Church of England schools within the IFtL, all LGB members shall sign an undertaking to the Oxford Diocesan Board of Education to uphold the objects of the company and to uphold the designated religious character of the said Academy. In addition, in Voluntary Aided schools, the appointment of 25% of Trust appointed Governors will be approved by the Oxford Diocesan Board of Education.

The Headteachers of the schools will be ex-officio members of the LGB.

Frequency of meetings:

The LGB will meet at least once per half term (6 times per year) for regular business. In line with your Scheme of Delegation, there are no additional regular committees required of the LGB though the following will be convened as needed:

- Hearings Committee
- Appeal Committee
- Pupil Disciplinary Committee
- Performance Management of Headteacher – undertaken by CEO and Chair
- Pay Committee*

*where your delegated powers are specific that this is a function to be carried out.

Quorum:

The Quorum of the LGB will be one half of the membership excluding any vacancies (rounded up to a whole number). This ensures that a reasonable number of members (in relation to its total number of members) are present to ratify decisions made on behalf of the total LGB.

Guiding Principles for Delegation of Powers to a Local Governing Board / Academy Improvement Board

In the case of **established schools** joining the MAT, it is the Board of Trustees intention that the Local Governing Body for that school will have the maximum delegation of powers as set out in this document provided that:

- The school is least good or equivalent (determined through due diligence and by applying the relevant Ofsted criteria at the time of joining the Trust, not necessarily the latest published Ofsted judgement for the school concerned)
- The school's financial position (and its management) is not a cause for concern (through due diligence checks or other financial monitoring)
- The LGB holds the school to account for pupil outcomes
- Safeguarding practice is effective and compliant
- There are no other material concerns

In the case of **new schools or schools joining IFtL who do not meet the above criteria** the delegation to the LGB will be at the level the Board of Trustees deems appropriate. The Board of Trustees may decide to delegate powers to an Academy Improvement Board (in place of an LGB) or may decide not to delegate any powers at all.

Role of an Academy Improvement Board (AIB)

The remit and delegated powers of the AIB are reduced from that of an LGB (see Appendix 5) to particularly determine:

- Safeguarding is effective and compliant
- The quality of education is undergoing a rapid and sustainable improvement

It is expected that an AIB:

- Will contain no more than 4 external and Trust appointed AIB members
- Will contain the CEO and the Head of School Development
- Will contain the Headteacher of the school in an ex-officio capacity

- Will meet monthly (though this may reduce as school improvements are evidenced)

Role of the Chief Executive Officer (CEO)

Our CEO (Sarah Bennett):

- Has delegated responsibility for the operation of the MAT, including the performance of all its schools. As part of this, the CEO will act as external adviser and support to the LGB in the performance management of the headteacher
- Is the accounting officer and therefore has overall responsibility for the operation of IFtL's financial responsibilities. As accounting officer, she must ensure that the organisation is run with financial effectiveness and stability, ensuring value for money whilst being compliant against all rules and legislation determined by the DfE and ESFA
- Leads the executive management team: delegating functions to its members and being held to account by the Board of Trustees for its performance

Role of the School Headteacher

The school headteacher is responsible for providing the strategic leadership and operational day-to-day management of the school to secure the best possible outcomes for its pupils and all other stakeholders. The headteacher is advised and supported by the CEO and executive team, but report to the Local Governing Board, on duties and functions that have been delegated to it by the Board of Trustees.

Appendix 1: Removal of Delegated Powers

If at any time the Board becomes concerned about a school, the Board may decide to:

- direct that any one governor or all governors of the LGB resign their post(s)
- remove all or any of the powers delegated to the LGB

The circumstances where the Board is likely to be concerned are:

- Ofsted or the Board judge a school to be inadequate
- Ofsted or the Board judge a school to require improvement
- There is concern about the effectiveness of safeguarding practices
- If a school's progress towards achieving outstanding/world class is not as rapid as expected
- A school has a deficit budget (*see below)
- there is concern regarding the LGB carrying out its obligations as set out in this document
- an event occurs at, or in relation to, a school which is significantly damaging to the reputation of that school or the Trust;
- an event occurs which causes a serious concern to the Board about the wellbeing of any child at a school
- there is a decline in progress and/or standards obtained by pupils at a school; or the school could be designated as a coasting school
- whistleblowing allegations are made

The circumstances above are by way of example only. The Board always has the power under the Articles to remove a delegation to a LGB or individual

*Where the Trust Board has approved an in year deficit budget for a school, that school having a deficit budget would not be a cause for concern unless the deficit increases materially above the budget approved and that increase has not been agreed. All schools within the MAT are expected to plan and submit balanced budgets for approval in line with the overall financial strategy for the Trust.

*Where a school is faced with a circumstance which will trigger a deficit situation or exceed the deficit approved (for example an emergency repair expenditure needed on health and safety grounds), the school must notify the CFO immediately so that a way forward can be agreed. Depending on the sum of money involved the matter may need to be referred to the Board.

Delegation to a LGB is likely to be withdrawn for financial reasons where:

- a deficit occurs due to any material misrepresentation of a school's financial position;
- a LGB failing to properly monitor the budget;
- the LGB has failed to notify the CFO; or
- theft and/or fraud is alleged or suspected.

*** Denotes that while the Board of Trustees has delegated powers to the local governing body and will hold the local governing body to account for these areas, the Board recognises that it is ultimately legally responsible and accountable for these areas.**

****Denotes that where *specific school level information* is to be added into the policies, Headteachers are responsible (R) and LGBs accountable (A)**

***** indicates LGB Chair involvement in pay level awards / performance management for Headteachers only**

NB Where there are any inconsistencies between the above overview of responsibilities and the scheme of delegation/terms of reference document, the scheme of delegation/terms of reference document takes precedent.
